Payment Policy

Welcome to our office. We are committed to providing you with the best possible care. In order to achieve this goal, we ask for your assistance and understanding of our financial policy.

Please be aware of the following:

- Payment for service is due in full at the time service is rendered.
- We accept Cash, Checks, Visa, or Mastercard. At the Laguna Hills Office we can accept Debit Card as well.
- Returned checks will be assessed a \$20 processing fee.
- You may cancel at any time without charge ***as long as we are able to fill your reserved appointment time.*** We make all efforts to fill any cancelled appointments, but there is no guarantee we can fill your cancelled appointment time. It is easier to fill a cancelled appointment time with more notice of the cancellation. Once you reserve an appointment time, it is yours. Payment for missed appointments can be made by phone with a credit card, or a check can be mailed to the office before your next appointment.
- Insurance companies do not cover missed or cancelled appointments.

If you have any questions, please ask the doctor.
